

**Directions & Accommodations for Pinnacle Health Services Clinic
and
The QNRT/ QST Training Center**

930 Holcomb Br. Rd. Roswell, Ga 30076

There are hotels directly across from our clinic and training facility, the Holiday Inn and Best Western are good options. Many people choose to stay there. The double tree is about one mile from the training center on Holcomb bridge rd. The Double tree usually offers a shuttle to and from the train station as well as to and from the hotel and clinic/training center. Please call hotels to verify the shuttle is available.

If you choose the Holiday Inn or Best Western, I recommend booking with hotels.com or bookit.com as these sites will offer you the best rates.

There is also a CVS pharmacy across the street as well. Most people like to stay there because it is convenient to the Clinic / Training center, restaurants & other shopping. You would not have to rent a car. If you are Gluten and Dairy free you will find good options for dining.

For your trip back home, you will need to allow approximately 3 hours before your departure time to get from the clinic back to the airport comfortably for your return flight.
